Majic Kidproof Matte Wall Paint

Ceramic Bead Technology provides a stain release, scrubbable finish

Can be used on interior drywall, masonry, and primed wood and metal

The dried paint film resists most stains from mustard, ketchup, juices, ink pen, pencil, crayon, pen, markers (not permanent markers) and is washable with water and detergent or common disinfectants. The use of alcohols should be avoided.

Kidproof Matte Wall Paint conforms with ASTM D2486 reporting 1200 scrubs
